

Warrior Bar Association

Dear Fellow Warrior:

Brother Rice has generated successful graduates in all areas of life and endeavor for nearly 50 years now. Many of these alumni have organized alumni groups to further unite the Brother Rice community. It is along these same lines that we proudly announce the formation of the Warrior Bar Association alumni group for legal professionals in the Brother Rice community.

The Warrior Bar Association is an alumni networking group that provides opportunities, among other goals, to reconnect with classmates, form new connections with other legal professionals and create business opportunities. The Warrior Bar Association is open to all Brother Rice alumni, parents of current students and parents of alumni in the legal community.

We expect to host several events throughout the upcoming year, beginning with a food/drink social event, TBD in March, at Dick O'Dow's in downtown Birmingham. We will contact you soon with an announcement of the details.

Best Regards,

Warrior Bar Association Board of Directors
